Serial Nos.

Part B for April 28

SUBJECT

Authorising the Superintending Engineers to inspect the water works in charge of the municipalities in their respective Circles

2 To: The Chief Engineers, D C's of districts, Municipalities. Secy P W D No nil 6728-38/d 27 & 28

Directs that the Superintending Engineers may inspect water works of the Executive Engineers & their Subdivisions

17 28

General and Revenue Secretariat. | File N | of 192

Serial No.

From

The Secretary to Govt P W Dept
Fr le no 2593/S dated 16 4 28
Stating that the Superintending Engineers
posts have been revived & requesting
sanction authorising them to inspect the
water works in charge of the Mdtes
in their respective circles

The Secretary States that
Superintending Engineer Sanitary Circle
was making periodical inspection of
Davangere water works once in
6 months & that subsequently when
the Superintending Engineers' post was
abolished, it was directed in G O
93 P W - 92 ME 145 - 28 - 2 dated
31 5 28 that the Executive
Engineer Water Supply divisions, might
inspect the above referred to
works & other such works.

We now recommend
that since the Superintending
Engineer's post has been revived,
the Superintending Engineer may
be authorised to inspect the water
works of the Mdtes seeing that
they are more conversant with
the water works

General and Revenue Secretariat. File No 30 of 192

Serial No

As regards Govt Secy's orders that the Superintending Engineer may be asked to inspect the water works once in six months I that the Superintending Engineer Sanitary circle, may inspect thereof works once in a year instead of once in 6 months. The Chief Secretary P W Dept States that there is no Superintending Engineer for Sanitary circle at present

The Hond Member is agreeable to the recommendation made by the Secretary P. W Dept that the Superintending Engineer may be asked to inspect the work once in 6 months.

Draft sanctioning the recommendation of Govt P. W D is submitted for kind consideration

PUBLIC WORKS SECRETARIAT

Through the General Secretary to Govt

Subject:- Inspection of Water Supply Works

----oOo----

Submitted to the Third Member of Council.

2 The Superintending Engineer, Sanitary Circle, was making periodical inspections of Davangere Water Works once in 6 months, but on the abolition of the Superintending Engineers of Circles, it was ordered in G O No 9382-92/M1 145-23-2 dated the 31st May 1924, that the suggestion of the Chief Engineer that the Executive Engineer, Water Supply Division, might be authorised to inspect the Davangere Water Works and others which have been handed over to the Municipalities, was approved

3 Since the Superintending Engineers' posts are now revived and as both the Superintending Engineers are well conversent with the Water Supply Works, inste of the Executive Engineer, Water Supply Division, the Superintending Engineers may inspect periodically atleast once in six months the water works in charge of Municipalities in their respective Circles, and to submit reports on their condition with suggestions for improvements in their working, etc.

As suggested by the Ch Engr,
the Supdg Engineer might address
inspect all the Water Works in their
jurisdiction once in six months
But there need not
Supdg Engineer, Workshops, Dev & Survey
Mains / Workshops does same with the inspections
of the Jail Supdg Engineer
Jail authorities to have inspection - not once a year
instead once in six months or new
